RE: Lack of Lead and Phthalates in Products Manufactured by
Fairfield Processing Corporation

Please be advised that the undersigned, Jordan Young, serving as Vice President of Fairfield Processing Corporation, hereby certifies that the following products, Poly-Fil and our Quilt Batting products, which may be used by children under the age of 3, although said products are not intended for such use, do not contain lead in excess of the Consumer Product Safety Improvement Act (CPSIA) of 2008, which limits the amount of lead contained in children's products on or after February 10, 2009. Said products contain no lead at the time of manufacturing and distribution from our premises.

Further, the following products Poly-Fil and our Quilt Batting Products, which may be used by children under the age of 3, although said products are not intended for such use, do not contain phthalates in toys and/or childcare products manufactured by Fairfield Processing Corporation.

Very truly yours,

Jordan Young
Vice President, Fairfield Processing Corporation
